PROJECTS

- 1) Meals Live Website (Yummy Best): [Project on GitHub](#)
- 2) Quiz Website: [Project on GitHub](#)
- 3) Portfolio Websites: [Project on GitHub](#)
- 4) Local Product MS Website: [Project on GitHub](#)
- 5) Social Media App Using Flutter: [Project on GitHub](#)
- 6) E-Commerce Apps Using Flutter: [Project on GitHub](#)

KEY SKILLS AND CHARACTERISTICS

- 1) Software Engineering • SDLC • Agile • HTML • CSS • JavaScript • Data Structures • Algorithms • OOP • Clean code • SOLID • Git • Problem Solving • Instructor ability • Learning new techs
- 2) C++ • SOLID • Java • Flutter • Dart • Mobile development • Design & Architecture Patterns • Management Skills • MS Office • Communication Skills

COURSES

- 1) Web Development
- 2) Software Engineering Courses [Agile – Analysis – Design – Metrics]
- 3) Structured Programming Course
- 4) OOP (Object Oriented Programming) Java Course
- 5) Algorithms And Data Structures Course
- 6) 3 Flutter & Dart Course and More on YouTube
- 7) Database Systems and SQL Fundamentals Course
- 8) Huawei HCIA Networks Course

LANGUAGE

- 1) Arabic: Native
- 2) English: Fluent
- 3) French: not strong
